I understand that the Women's Retreat is given for personal benefit and does not qualify me to give workshops in the Crucible[®] Approach or the Passionate Marriage[®] Approach or to present myself as being "trained" in either of these trademarked approaches.

I understand that the written materials given in the workshop are the copyrighted or trademarked works of either works of David Schnarch or Ruth Morehouse of Marriage and Family Health Center of Evergreen, Colorado.

I agree that these materials are for my personal use only and are not for duplication or dispersed to others.
